Date Submitted: 08/14/18 Work Session: Council Meeting: 08/20/18

SUBMITTED BY: Michael Harris, Intern City Manager

PURPOSE: There have been inquiries from both council members and local property owners about making amendments to our current codes. The process is to have Mayor and Council initiate proposed amendments.

Currently city staff is working on the following amendments/ordinance adoptions: Chapter 16, 17, 18, 22, 23 & 25 which are required to be adopted within a specified timeframe.

In addition, there are a few items on hold or delayed such as Air B & B and Vendor/ door to door sale ordinance.

Staff believes there to be at least eight (8) proposed additional amendment requests to date, each of which will have to be both drafted and initiated by the Mayor or a Councilmember. Several requests involve the Stonecrest Overlay District, Personnel Care Homes and Daycare Homes.

Staff needs direction on what amendments are to be done and in what order (specifically).

Staff recommends completion of the required ordinance adoptions prior to any text amendments.
